

DOMESTIC PARTNERSHIP DECLARATION

Purpose: Equality Cincinnati advocates for the legalization of same gender marriage. Until there is marital parity for LGBTQ citizens, we are looking for a way to show that domestic partnerships exist and represent a broad diversity in Greater Cincinnati.

To do that, we are collecting data to show how many families are affected when marriage equality does not exist. And we want to recognize and celebrate these partnerships and demonstrate to the greater community that LGBTQ relationships are valid, legitimate, and supported.
